1. RDN Property Taxes - proposed 15+%
2. Watering Restrictions
3. Fire Mitigation of the public access points

The Board will also be keeping an eye on developments in regards to swimming pool(s) and the new Bylaw 2500 which is to replace Bylaw 500.

2024 Membership is due - \$10 per household per year or 3 years for \$25. (can submit to any of the Directors)

Your membership will give your Association a stronger voice (the more residents we represent the more we will be heard) and cover minimal expenses and erect new Notice Boards.
